Why College Match Matters?

Students who apply to college match schools have better chances of being accepted. Students also have higher graduation rates from attending a college match school.

You Matter!

According to the Social IMPACT Research Center, approximately 8% of the residing Brighton Park residents (age 25+) have completed a Bachelor’s Degree versus 32% with a High School Diploma and 40% with less than a High School Diploma. We are most likely the only adults in our students’ lives who have gone through the college application process.
