

Developing Systems to Monitor College Applications

Calculating Application Match Video

Keeping track of each student's various college applications is an important but challenging task. Not only must a Counselor or College & Career Coach track a large number of applications, but this data changes quickly, and each application comes with its own set of deadlines and follow-up work in order to move forward. This video describes a practical approach Counselors and other educators can use with application data to identify the students who need Tier II application supports. The video further offers ways to be strategic about seeking out the students who will most benefit from extra help.
