## Purpose

At the Network for College Success, we believe in the constant interplay of research, practice, and learning. Our partnership with the UChicago Consortium means our Coaches and partner schools are immersed in the latest research that supports postsecondary work. In addition, the Network for College Success uses a wide range of research, reports, books, studies, and other media to deepen our collective understanding of how to best serve students and move them toward better college and career outcomes.

## How & When to Use

The bibliography in Tool Set D contains a wealth of resources for additional reading and learning that can be used individually or in a professional learning community focused on postsecondary success.
